THROUGH:

Briefing of Lt. Gen.
Theodore Conway

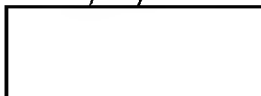

1. Gen. John Davis has arranged with the Agency for Gen. Conway, who will soon take over as Commanding General of the 7th Army in Europe, to be briefed by various elements of CIA on Monday, 21 February. DD/S&T is scheduled to meet with Gen. Conway from 1500 to 1530. There is a possibility that Gen. Davis will accompany Gen. Conway. If this is so, I presume you may wish to brief him on DD/S&T yourself.

2. If Gen. Davis does not accompany Conway, would you prefer that I arrange for Don Chamberlain to do the briefing?

3. Gen. Conway has SI and T-KH clearances. Attached is a biographic sketch.

We received word at
C.O.D. on 18 February
that Conway only wants
a one-hour DD/P
briefing -- so we
have cancelled
